

## How to Access Student Grades with ParentConnection

- 1) Open your web browser and type <https://dodea.gradespeed.net> in the address line.

- 2) Click the **Parent** link in the *Sign In to GradeSpeed.NET* window.

- 3) Click the **Click here to sign up** link in the lower left corner of the *Sign in to ParentConnection* window.

The parent connection window opens. Student grade and attendance information links appear in the left column. If you have multiple students, the student name in the *Current Student*: window displays information for that student. Click the *Current Student* drop down arrow in the left column to switch the current student.

4) Click on the **Grades** link in the left column to review the overall cycle (quarter) grades for the individual subjects.

- 5) Click a **cycle (quarter) grade for a subject** to expand the view for that subject's assignment details divided by category and weight. The bottom of the page shows notes or comments.
