

**Guam Domestic Dependent Elementary and Secondary Schools  
Publicity Permission From  
School Year \_\_\_\_\_ - \_\_\_\_\_**

*Within the Department of Defense Domestic Dependent Elementary and Secondary Schools(DDESS), there are many opportunities to celebrate the achievements and activities of our districts, schools, students, staff and community members. The Information Age has provided additional mediums to publish our accomplishments, showcase our educational programs and services, and strengthen two-way communication among our publics. While television and print publications have been traditional ways of getting information to our publics, we now have the added benefit of the Internet.*

*With regard to the Internet, DDESS schools' office web sites follow the goals, guidelines and policies for responsible and safe Internet publication practices set forth by the Deputy Secretary of Defense and the DoDEA Web Publishing Guide.*

*In order for us to include a student, staff member or community member in print publications, television, multi-media or the Internet, permission is needed.*

**The following is provided for your review and signature:**

I give permission for my child's name and/or image to be utilized in various media forms including: newsletters, DDESS web site (images only), DDESS print and video productions, military community publications, military affiliated publications (Stars & Stripes), military affiliated electronic media (AFN/AFRTS), and public media (local, host nation, U.S. national newspapers, magazines, television).
